Dear Ron & Laura,

We are looking forward to working with you and the many volunteers that the One Heart, Many Hands, Indianapolis 2001 Project will bring to Indianapolis. Everyone who met with you are excited about the project that will repair homes and help clean up the most needy inner city neighborhoods. The partnerships of neighborhood organizations, governmental agencies, and church groups will provide many locations that will keep your group busy for their stay.

As Deputy Chief of the Indianapolis Police Department South District, I am aware of the great need for improvements to homes of elderly and low income families who can not afford or physically can not make repairs to their home or clean up their property. Your project can greatly improve the quality of life for these individuals.

I, and everyone I have spoken with about the One Heart, Many Hands Indianapolis 2001 Project, whole heartily support your endeavor and eagerly await your arrival.

Please feel free to contact me concerning this matter or any other area of concern.

Sincerely yours,

CHIEF OF POLICE

JERRY L. BARKER
